Biography

Jesus Christ Superstar rewritten by Muse, Madness, Meat Loaf, Reel Big Fish, & Dexys Midnight Runners. Songs to make you dance and songs to make you lose your mind. Intricate arrangements, glorious harmonies, the gamut of emotions.

DFATHOF are not confined by cultural boundaries set by the music press. Danny's kaleidoscopic range of musical, filmic and stage influences all feed into the electric stage show that truly defies easy genre boundaries.

DFATHOF came together in 2008 and perform regularly at venues up and down the country.
